**State Insurance Commissioner Dave Jones
Endorses Assemblymember Betsy Butler for Re-election**

State Insurance Commissioner Dave Jones has announced his endorsement of Assemblymember Betsy Butler in her re-election campaign to the 50th Assembly District.

“Assemblymember Butler is a true advocate and a dedicated fighter for California consumers,” Jones said. “She has worked with me and consumer advocates to ensure that Californians are protected against fraud and that health insurance is both affordable and accessible”.

“California consumers need first-rate representation in the State Legislature and Assemblymember Butler has proven that she will take up the tough challenges and work effectively to find real solutions,” continued Jones. “She recently passed two notable laws to protect consumers, one banning a toxic chemical used in baby products and one increasing penalties for committing financial fraud against seniors. These measures demonstrate a commitment to protecting the most vulnerable in our state.”

“As someone who has made fighting for consumers one of my top priorities, I am honored to have the support of Insurance Commissioner Jones,” Butler said. “He and I share a passion for ensuring the safety and well-being of all Californians.”

Assemblymember Betsy Butler was elected to the California State Assembly in 2010 and is seeking re-election in the 50th Assembly District. Butler’s work has focused on fighting for consumers, advocating for working families and protecting the environment. In the State Assembly, she serves on the Assembly Budget Committee, the Budget Sub-Committee on Resources and Transportation, the Committees on Business and Professions; Education; Arts, Entertainment, Sports, Tourism and Internet Media; and Rules
