FOR IMMEDIATE RELEASE:

The Child Abuse Prevention Center Endorses Betsy Butler for State Assembly

SACRAMENTO, Calif. — The Child Abuse Prevention Center today announced its endorsement of Betsy Butler for State Assembly. Butler is running for office in the 53rd State Assembly District and has been an advocate of many of The CAP Center's priorities, including funding for schools and health care.

“Betsy Butler is a passionate and effective advocate for children and schools,” said Sheila Boxley, president and chief executive officer of the CAP Center. “We’re proud to endorse her and look forward to working with her to protect California’s children.”

The CAP Center has a 30-year history of preventing child abuse, neglect and abandonment through three core strategies: Safety, Education and Advocacy. The CAP Center is a state, national, and international service, training, research and resource center dedicated to protecting children and building healthy families.

Located in Sacramento, the CAP Center is home to three unique agencies – the Child Abuse Prevention Council of Sacramento, Lift the Children and Prevent Child Abuse California. A single board of directors governs all three agencies and each agency takes a different but complementary approach to prevent child abuse.

The CAP Center's mission is to prevent child abuse, neglect and abandonment. Visit and learn more about The CAP Center online at www.thecapcenter.org.
